

# BVM MANUAL TYPE "C" TONG 35,000 ft/lbs TORQUE

The BVM Type "C" Tong covers drill pipe or casing sizes from 2 3/8" through 10 3/4" OD and is mostly used on smaller rigs. The new rugged latch design makes the "C" Tong stronger than other models and also can be ordered with an optional 30 7/8" lever, where space is a problem. The tong is made from alloy steel, heat treated and magnetic particle inspected. All specifications are certified.
