## Quality Policy

It is the conviction of BVM Corporation to recognize the importance of a functioning Quality Management System in order to achieve customer satisfaction. BVM Corporation designs, manufactures and repairs product that meets or exceeds our customers' agencies or other applicable legal, statutory and regulatory requirements. We accomplish this by adhering to our management system and operational methods that recognize customer satisfaction as a primary goal.

We strive to continually improve the effectiveness of our Quality Management System and our commitment to customer satisfaction by monitoring our performance against our established objectives along with leadership that promotes employee involvement. This concept represents BVM Corporation's commitment to quality and the increasing need to better serve a growing and demanding customer base.
